

DEVON CUP COMPETITIONS

August 2025

Dear all Clubs,

Many thanks to all of you who have responded to my request for entries into this year's Devon Cup Competitions.

I can now confirm that we have a total of 29 teams in the First team cups competitions and 15 teams in the Second team competition.

The Senior and Intermediate cup will start at the quarter final stage, the Junior cup and the Second team cup will start with a first round

In the first team Cups the losing teams in the quarter final stage will then go into the Semi-finals for the Shield, Plate and for the Junior Cup and the Second team Cup, they will go in to the quarter final of the Bowl and Second team Shield.

Because of the Woman's world Cup, we are giving clubs the option to play the first game on the Saturday or Sunday.

- **The date for the first games will be Saturday the 27th or Sunday the 28th of September.**
- **The other dates are specific to EACH competition**

The cup draw's were completed this week and are attached to this email, but are also here;

PLEASE NOTE

We are attempting to ensure that as many clubs have the opportunity to have a HOME game, therefore In the event of a team who won away in a previous round is drawn against a team who won at home in the previous round they will play at home. If both teams were home or away winners in the previous round, the team drawn first will be at home. The Devon Competitions Committee will confirm this AFTER the results of the first round and share if any changes in the home venue is required.

This has been a difficult task to complete, as the leagues have different dates during the season and weather conditions will potentially make some changes.

Please can I ask that you communicate to me about potential changes and also that the Devon Referees society are also kept informed.

Ideally it would be good to load these fixtures on GMS, but we will also produce Match Cards.

Please use my Devon RFU Email at cups@devonrfu.com or my mobile 07831287530

Please see separate document for Rules and Structure.
